

[Local Copies Of Unsaved Microsoft Word For Mac](#)

A red-bordered graphic with a white background on the left and a red background on the right. On the left, there is a Microsoft Word icon with a green curved arrow pointing to the right. In the center, there is a screenshot of the "Manage Document" dialog box in Microsoft Word, showing options like "Recover Unsaved Documents" and "Delete All Unsaved Documents". On the right, there is a cartoon illustration of a man in a suit waving. The text "How To Recover Unsaved Word Document" is written in large blue letters across the center.

**How  
To Recover  
Unsaved Word  
Document**

---

Mac programs will also ask if you want to save a document, project, etc Upon quitting the program or shutting down the computer, but if you just pulled the plug or flipped a switch off, there was no power to the Mac for it to be able to ask you.. One reason to always properly shut down programs & the Mac rather than just cutting the power.
